This top-of-the-line, commercial grade table is designed like those used by the pros. The Cyclone II is tough enough to handle even the most extreme competition and it comes packed with all the high quality Tornado features:

- A lavishly detailed, medium wood-grain laminate, Taj Teak, on a hand-crafted wood cabinet, to match your home decor.
- Rounded, black accent top and down corners with Tornado logo inlay
- 1 1/2" thick cabinet side walls for maximum stability during heavy use
- High pressure laminate surface playing field
- Doubled-bolted 4" x 4" solid legs provide maximum stability
- E-Z leg levelers allow you to level all four legs precisely and with ease
- Center-table ball return delivers quickest access to ball after score
- Hollow, competition-grade steel rods that allow for quicker play and faster shots
- Solid, octagonal wood handles allow you to feel the player figures' position without taking your eyes off the ball
- Patented split bearing for maximum rod glide and owner-friendly maintenance
- Patented precision-ground urethane balls
- Patented Tornado bumpers provide maximum cushion for aggressive play
- Patented Tornado man with counter-balanced head which keeps him clear when you shoot to score
- Patented foot design on player figure delivers superior ball control
- Discrete expansion pin attaches player and handle to rod; no unsightly nut and bolt protrudes from player figure
- Tornado three-man goalie rod promotes advanced offensive techniques and keeps ball in play
- Whip Shot™ goal box delivers a rushing, full-impact sensation when goal is scored
- High-quality wood scoring system features USTSA (United States Table Soccer Association) "game to 5"

Non-stop fun is guaranteed when you take your family by "storm" with this full size, high quality foosball table that delivers serious, professional-style play.
